Company Profile

V P Udyog Ltd. is an International Exporter of Indian Raw Cotton, Cotton waste, Yarn, Linter, Biological Oils, Wheat, Spices, minerals, Chemicals and manufacturer of Leather Goods. Founded in 1985, we serve numerous customers worldwide through our head office in Kolkata, India, and branch office in Shanghai, China and Copenhagen, Denmark. We have a proven history of supplying High quality Raw Cotton to Japan for the last 27 years and have successfully met their stringent high quality standards. In the last decade we have expanded our cotton export to markets such as Bangladesh, China, Pakistan, Malaysia, Thailand, Hong Kong, Croatia, etc.

An ISO9001:2008 accredited corporation, **V P Udyog Ltd.** has attained high recognition in the industry by leveraging our strength in conscientious collaboration by our highly experienced and professional staff, possessing rich experiences of the world market and comprehensive knowledge of catering to varied customers. With the objective to meet full satisfaction of our customers, emphasis is put on precision, quality and timely delivery of products. Each of our products ranges go through stringent scrutiny by our experienced in-house quality personal and then by third party Quality control so as to meet global standards, before being dispatched for delivery. "Quality at a sincere price" is the very reason for our initial success and later successful penetration into the European and Asian markets.

Keeping the momentum **V P Udyog Ltd.** continues the growth story with its ever expanding reach. Such achievement is the fruit of our distinguished Quality and Unique Customer Service, which will always enable us to be your long term partner in your quest to riches.

For your reference, we offer the following Raw Cotton parameters to suit your requirement.
